

Rhode Island Capital Access Program (CAP) **A Baker's Dozen Reasons To Use It:**

1. It's a credit enhancement program that limits exposure to losses through a reserve fund
2. Easy to use – 2-page Enrollment Form (vs. 400 pages of SBA SOPs)
3. A cost-effective tool to use for small loans (average size is \$50,000)
4. Can use your own documentation
5. Allowed to enroll a portion of the loan – i.e.: enroll only the shortfall
6. Use a simple one-page Claim Form – no “red tape” or concerns about not having a guarantee honored
7. Can use it for non-profit business loans
8. Loans are eligible for CRA credit
9. No expensive monitoring or audit costs
10. Can take out future reserves for a default (for the first \$5M of loans)
11. Can use it for Letters of Credit and Overdraft Protection Lines
12. “PRIME THE PUMP” initiative deposits \$20,000 to “jump start” the loan loss reserve
13. Become known as a participant in a state-funded initiative to help RI small businesses!
